AFRICA'S UNIFIED .NET CONFERENCE

# .NET AFRICA CONFERENCE

## 2026

**.NET Africa Conference 2026** is Africa's premier unified .NET conference. The event expects up to **280 participants (students and professionals)** and brings together **Microsoft MVPs, Microsoft Certified Trainers, Microsoft experts, community leaders,** and renowned speakers from across Africa and the global .NET ecosystem.

This diversity ensures high-quality technical sessions, valuable networking opportunities, and a lasting impact on participants' skills, innovation, and professional growth within the **Microsoft ecosystem**.

**BRINGING TOGETHER AFRICA'S LEADING .NET COMMUNITIES UNDER ONE CONTINENTAL PLATFORM.**

**280**
**EXPECTED ATTENDEES**

**MVPs, MCTs & MICROSOFT EXPERTS**

**20+**
**AFRICAN COUNTRIES**

.NET foundation | Microsoft | MVP Microsoft Most Valuable Professional | Microsoft Learn Student Ambassadors

# The African .NET Community Network

**.NET Africa Conference** brings together **.NET communities**, **Microsoft MVPs**, **Student Ambassadors**, **developers**, and **technology leaders** from across Africa under one unified event.

**By connecting local communities with the global .NET ecosystem,** the conference promotes collaboration, innovation, knowledge sharing, and professional growth while strengthening Africa's presence in the worldwide developer community.

**Year-Round**
**Community Activities**

**20+**
**African Countries**

**30+**
**Community Groups**

**One Continental Conference**

**Student Ambassador Chapters**

**Microsoft MVP Network**

# LEGACY & PREVIOUS EDITIONS

## A Strong Pan-African Foundation. A Unified Future.

Across Africa, .NET communities have successfully organized local conferences, user group meetups, and technical events—bringing together developers, experts, and leaders. These editions reflect the diversity, talent, and growing impact of the .NET ecosystem on the continent.
